In re Application of	:	
SHAHIDI	:	
U.S. Application No.: 10/576,781	:	DECISION ON PETITION
PCT No.: PCT/US04/35024	:	
Int. Filing Date: 21 October 2004	:	UNDER 37 CFR 1.137(b)
Priority Date: 21 October 2003	:	
Attorney Docket No.: STAN.P0008PCTUS	:	
For: SYSTEMS AND METHODS FOR INTRA- OPERATIVE TARGETING	:	

The petition to revive under 37 CFR 1.137(b) filed 01 December 2006 in the above-captioned application is hereby **GRANTED** as follows:

Applicant's statement that "the entire delay in filing the U.S. Basic National Fee (from the earliest priority date) was unintentional" is being interpreted to mean that the entire delay in providing payment of the full U.S. Basic National Fee from the due date for paying the fee until the filing of a grantable petition pursuant to this paragraph was unintentional. If this is an incorrect reading of applicant's statement applicant should contact the PCT Legal Office immediately. Applicant's statement and the prompt filing of the petition satisfies the requirement of 37 CFR 1.137(b)(3).

A review of the application file reveals that applicant has now provided payment of the full, U.S. Basic National fee and the requirements of 37 CFR 1.137(b) have been satisfied. Therefore, the request to revive the application abandoned under 35 U.S.C. 371(d) is granted as to the National stage in the United States of America.

This application is being forwarded to the United States Designated/Elected Office (US/DO/EO) for continued processing including the issuance of a Notification of Missing Requirements (Form PCT/DO/EO/905) indicating that a compliant, executed oath or declaration of the inventor is required.
